

When
your
first
glance
touched
me

When
I
touched
your
first
touch

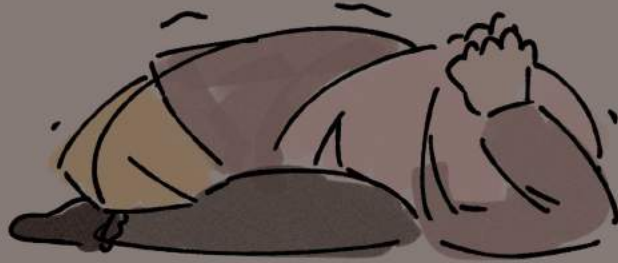

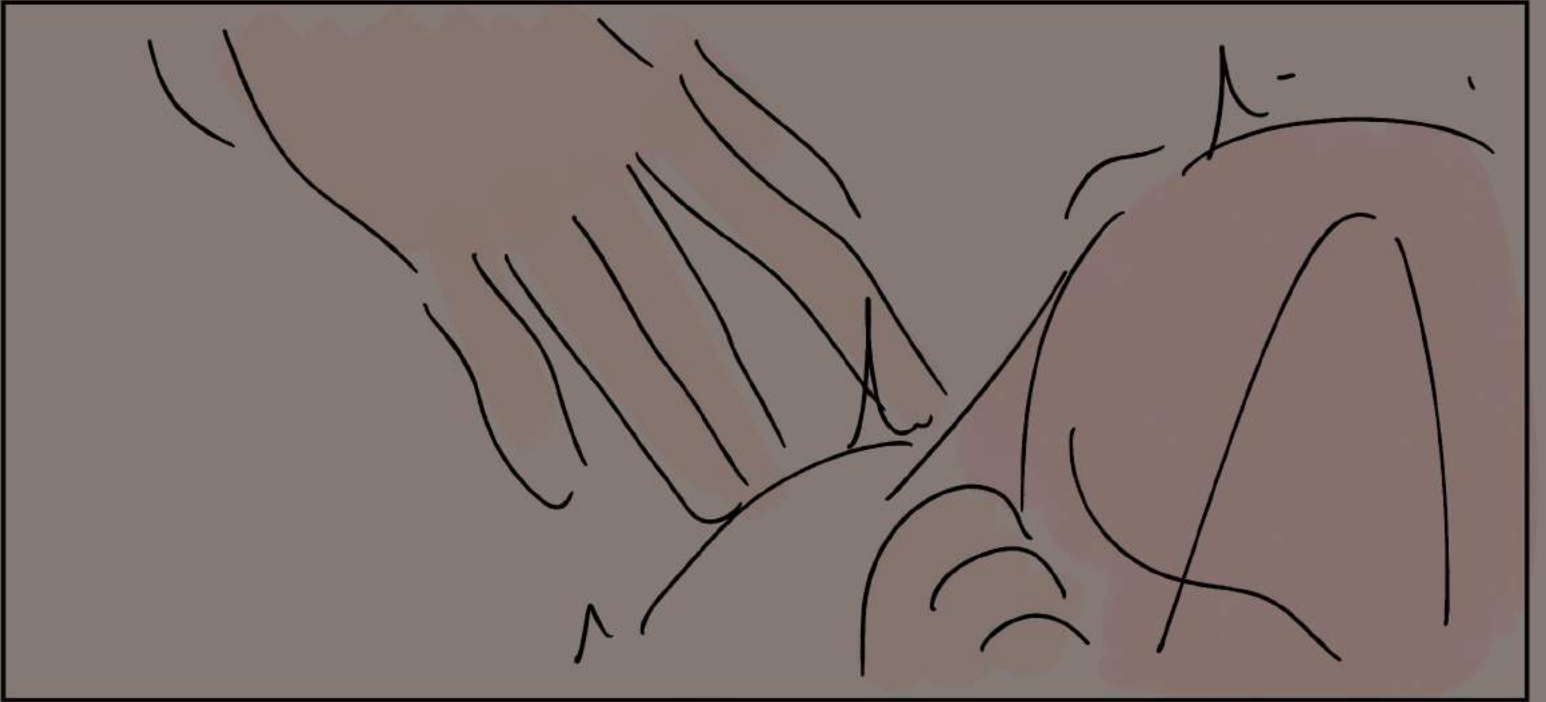

CRASH

My
whole
body
was
numb
like
lightning

BOM

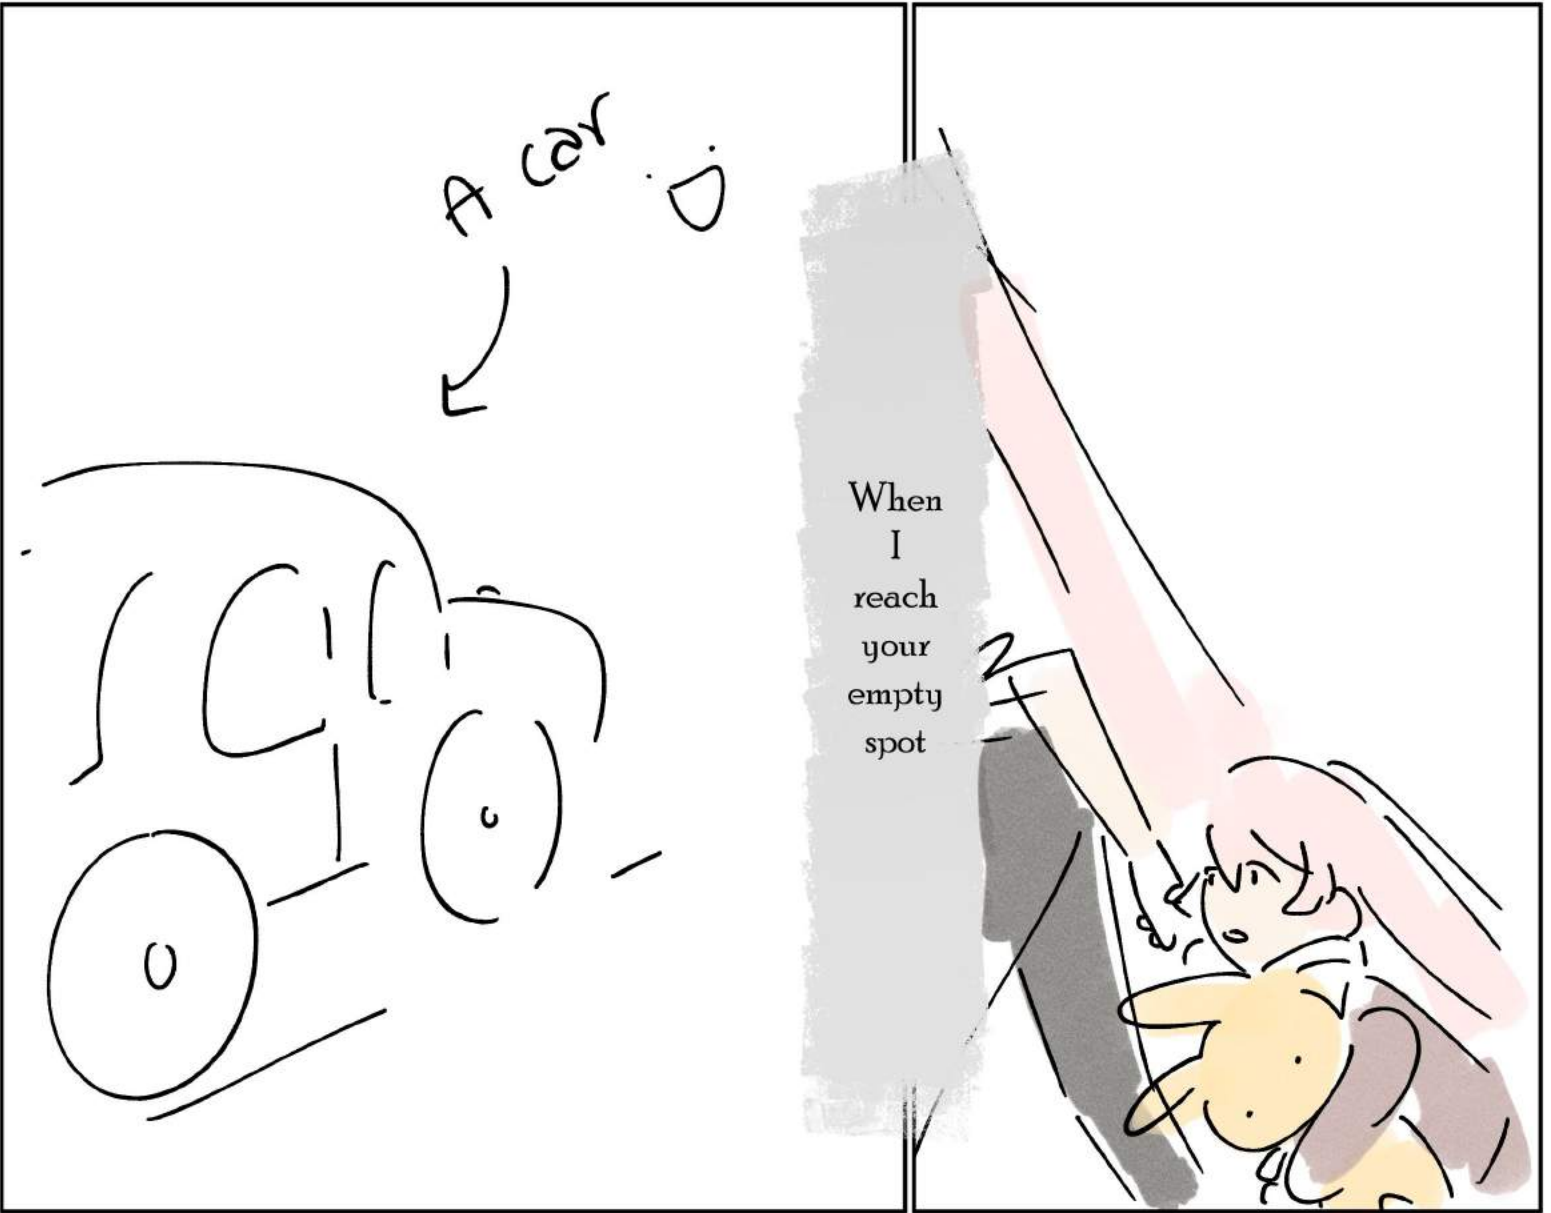

When
your
warmth
reaches
me

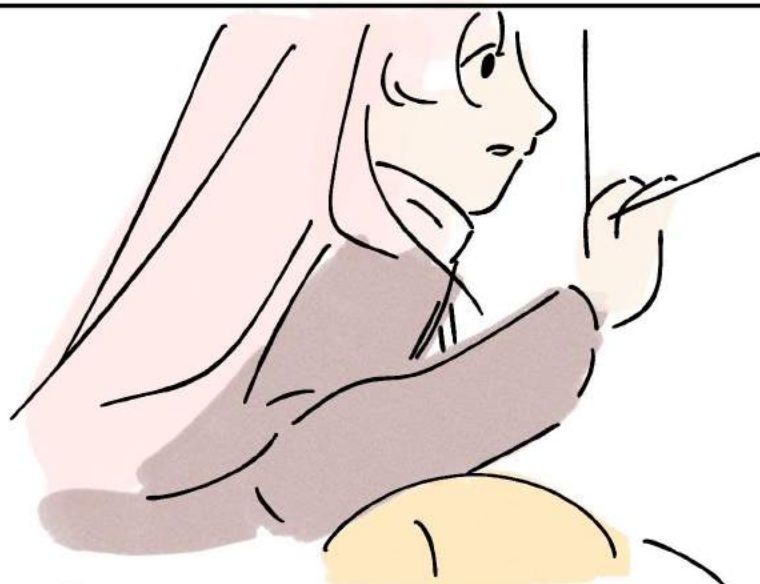

The
world
was
bright
as
if
a
flower
petal
had
fallen

My
world
is

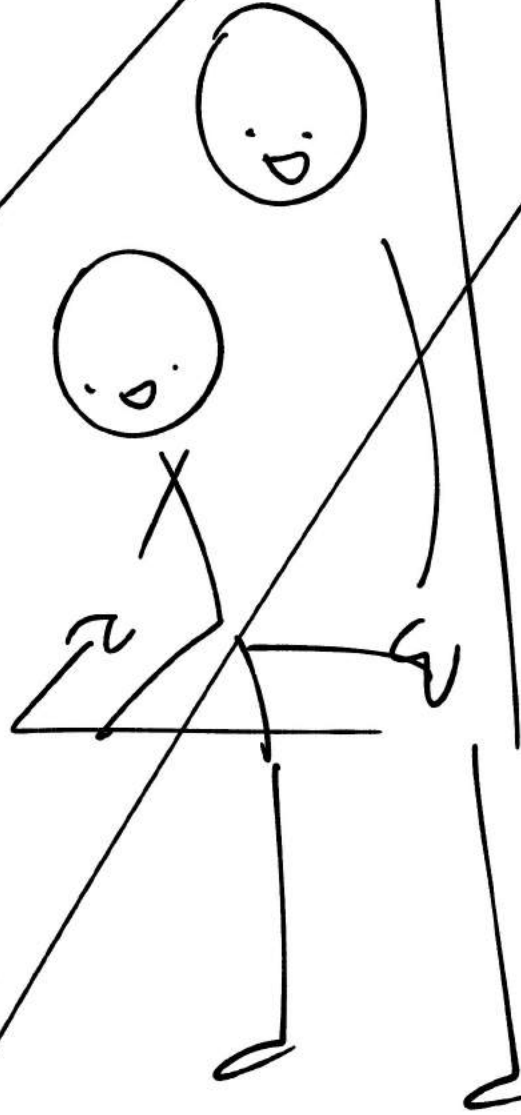

No
longer
with
me

Act III

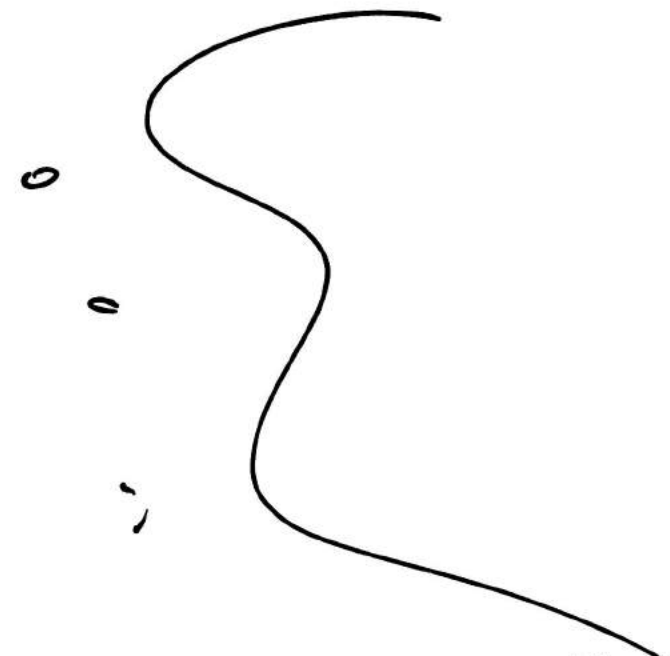

My
Sun

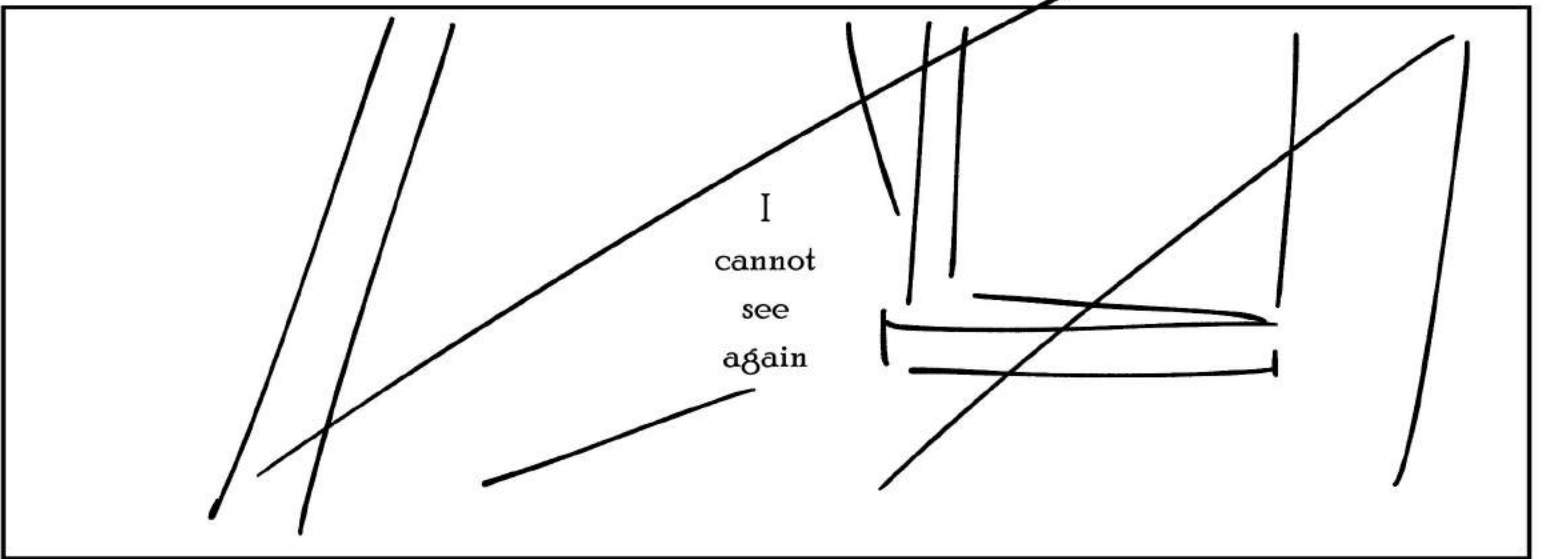

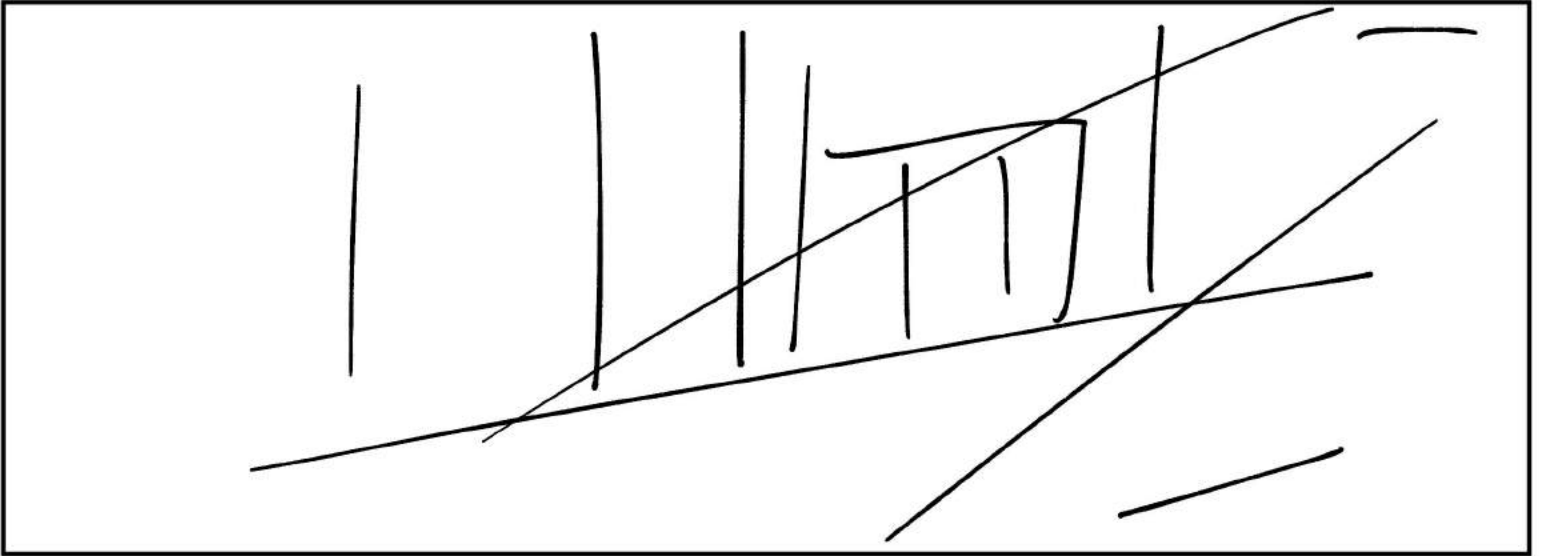

amys
sun

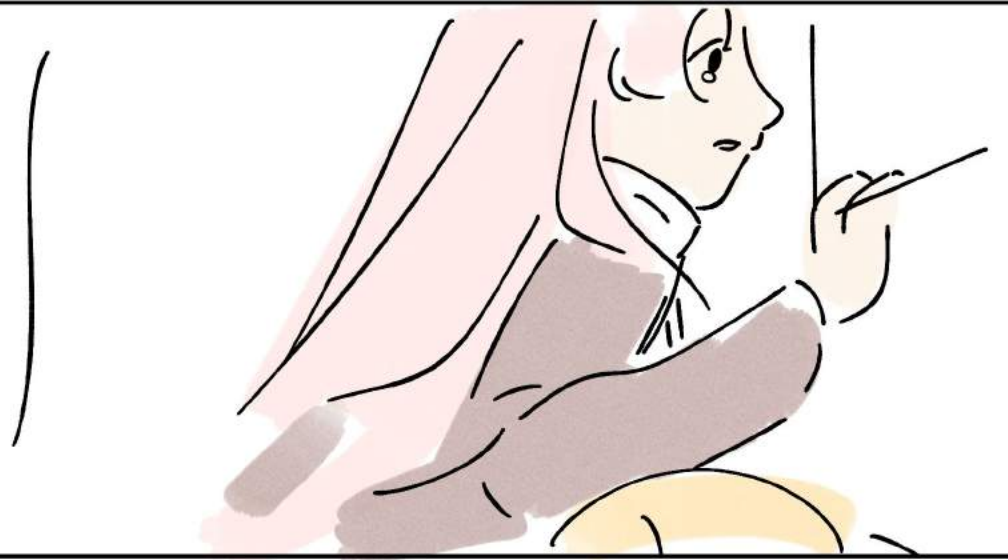

My
Moon
Sketch

My
Moon

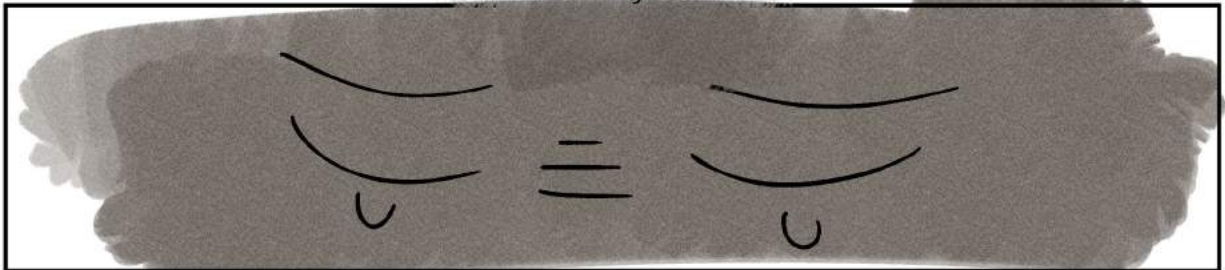

Caught
but
can't
be
caught

A
person
like
I've
dreamed

I cry

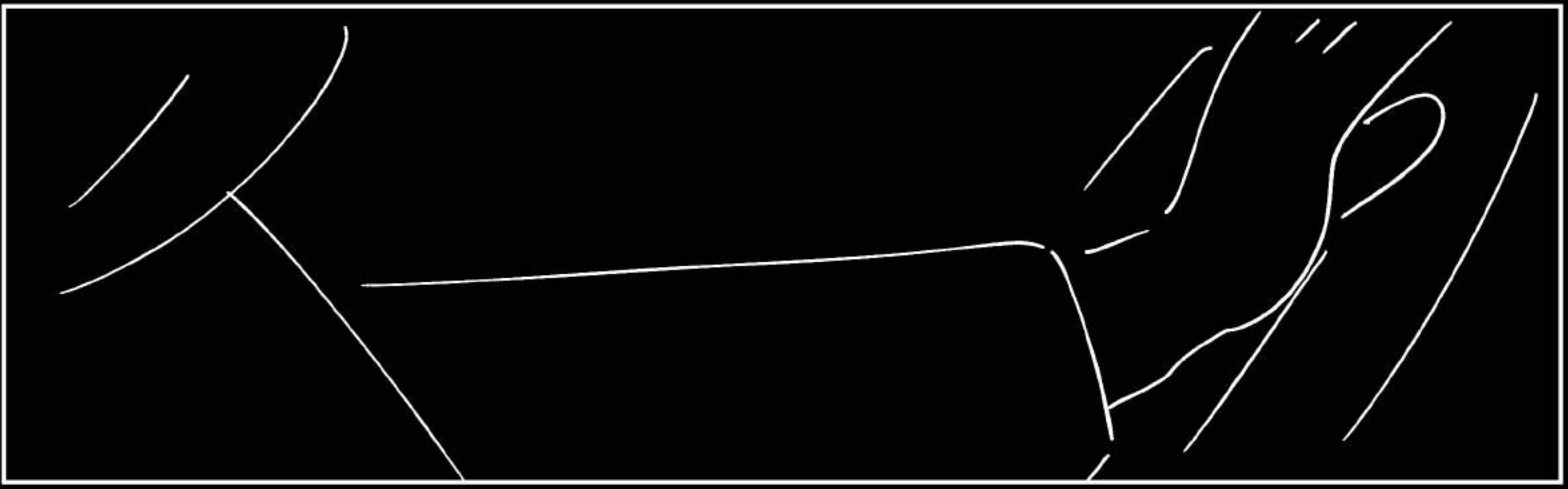

and fall asleep again.

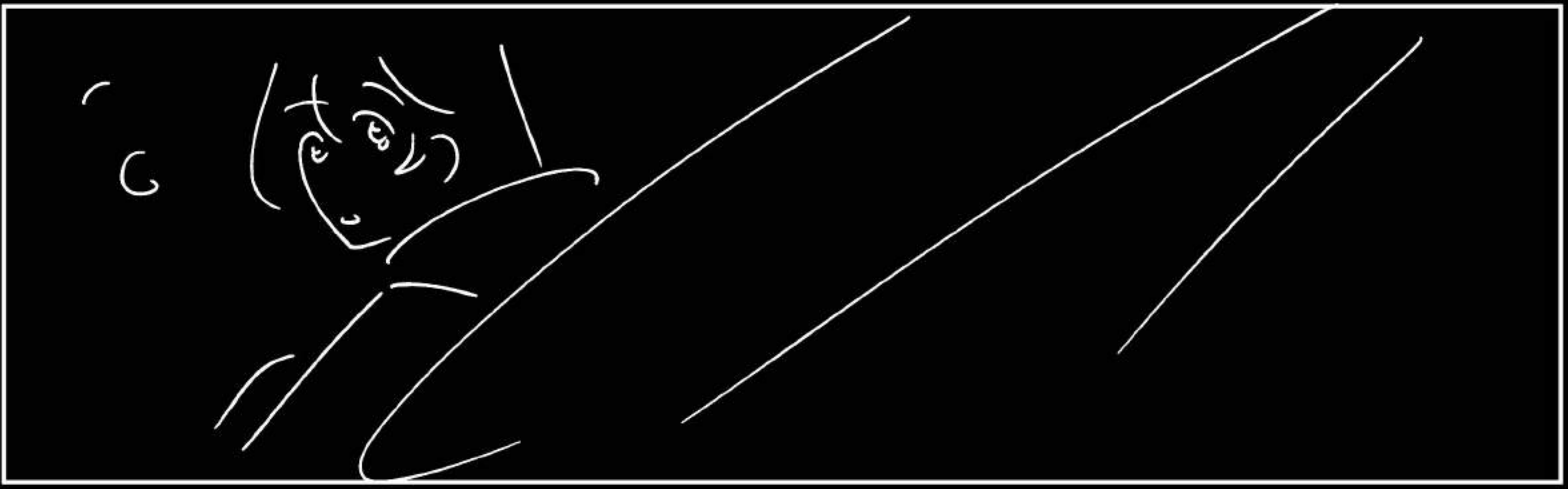

My
Missing
Person

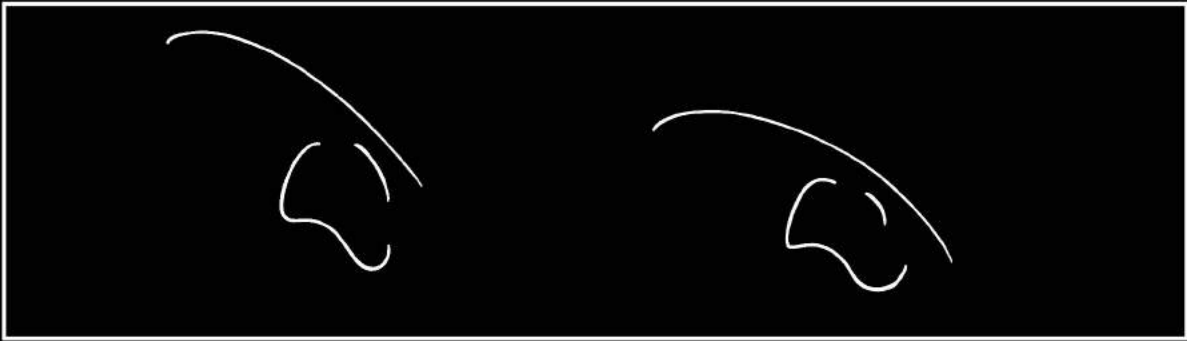

My
Flowers

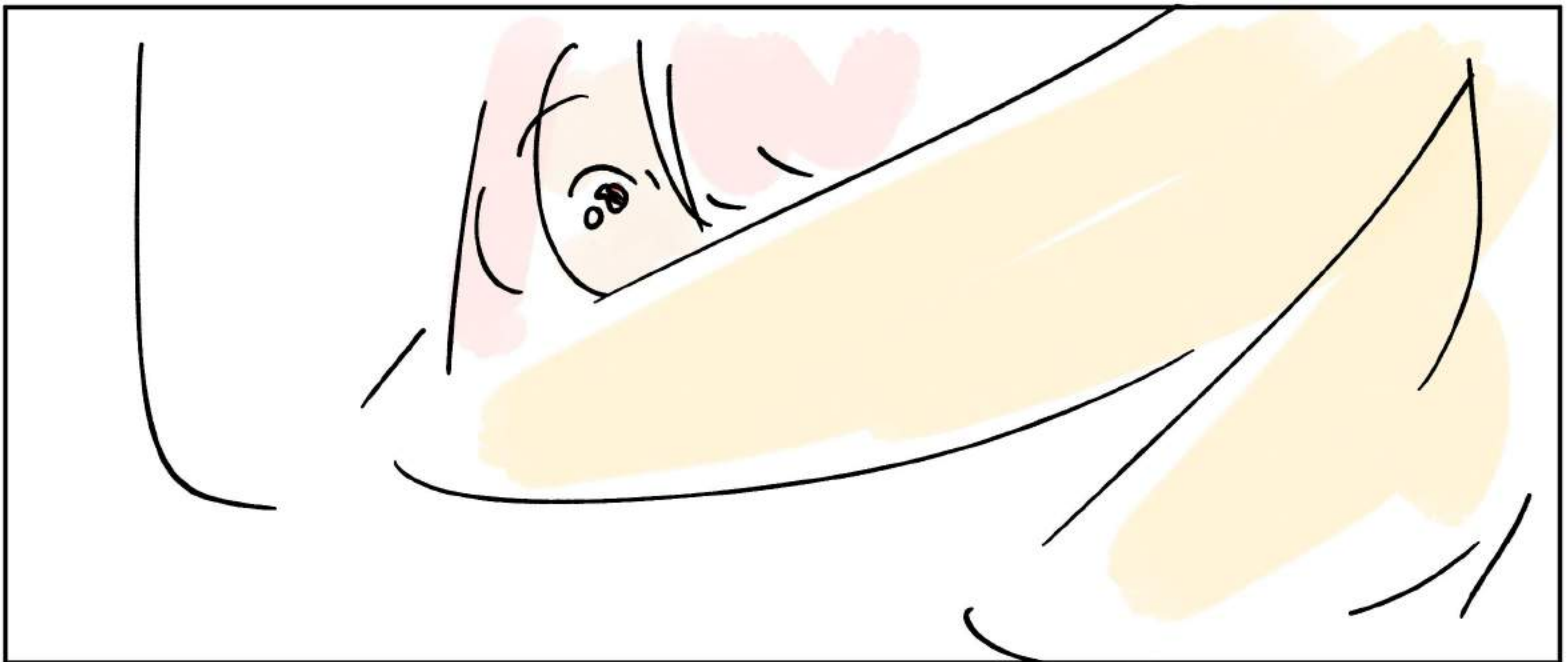

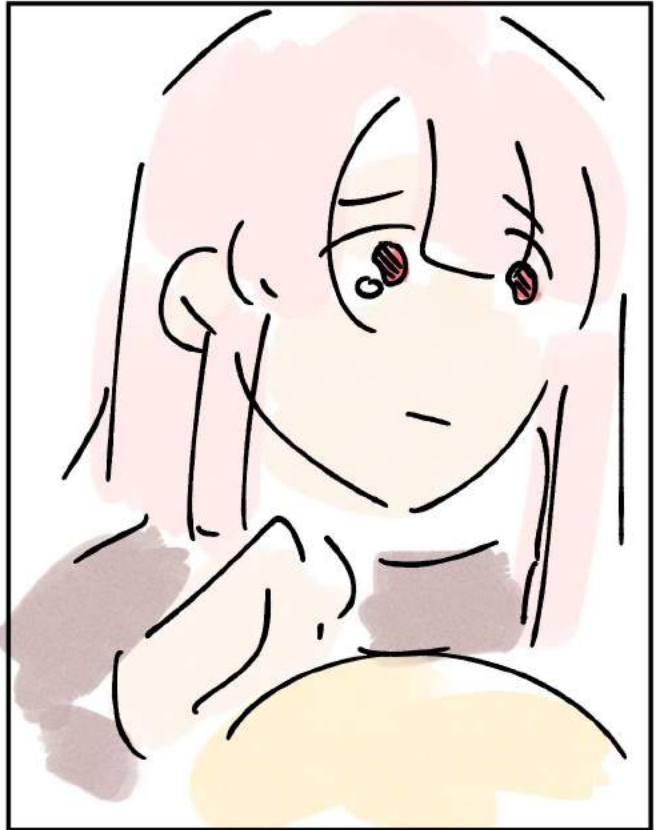

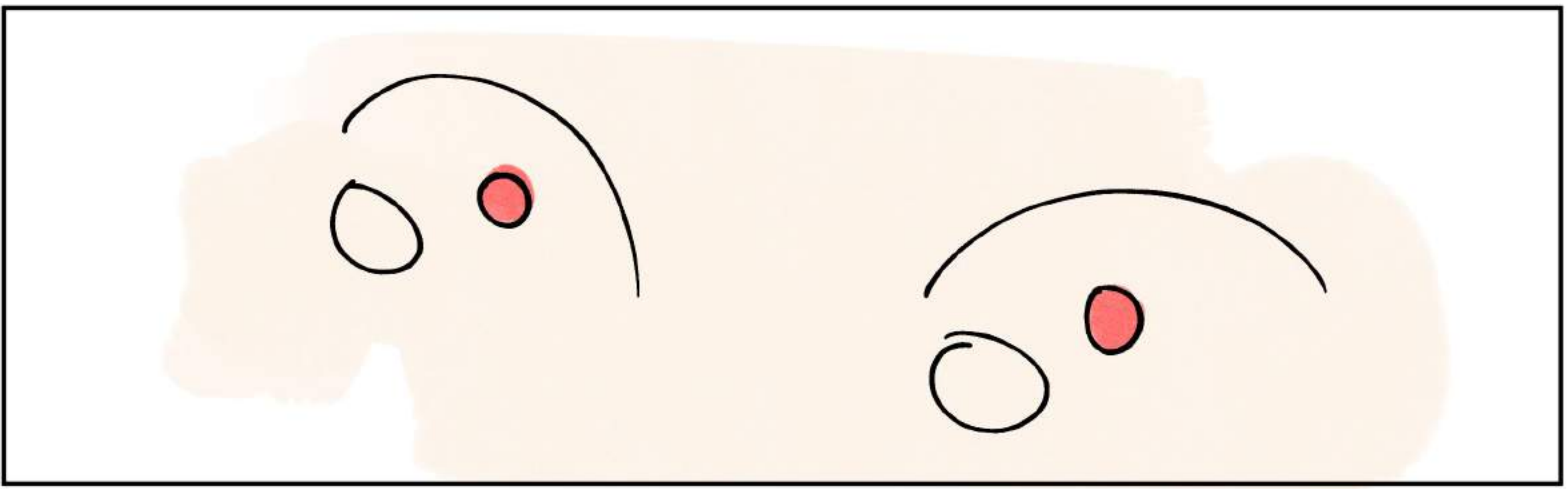

My
Stars

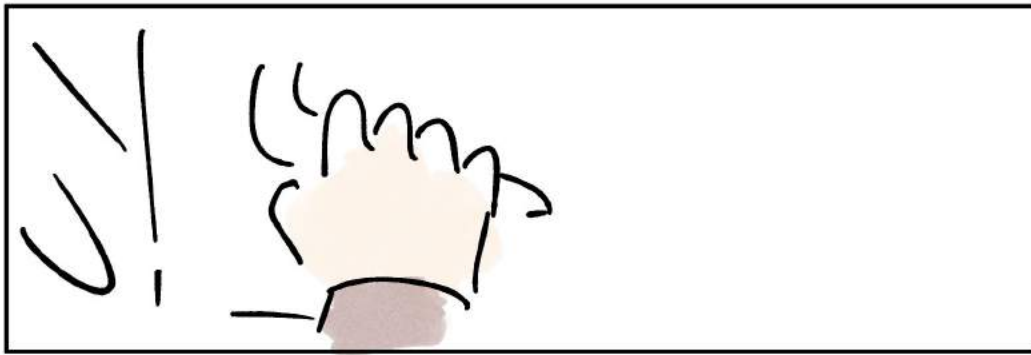

I cannot see again

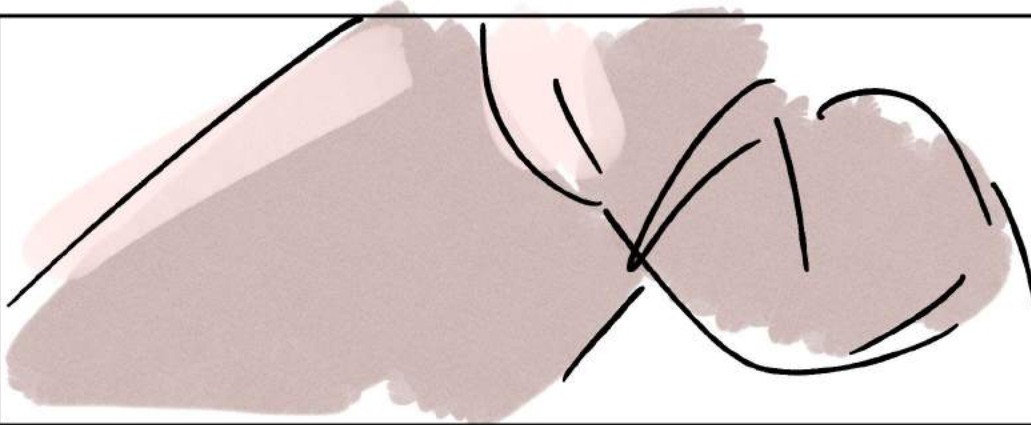

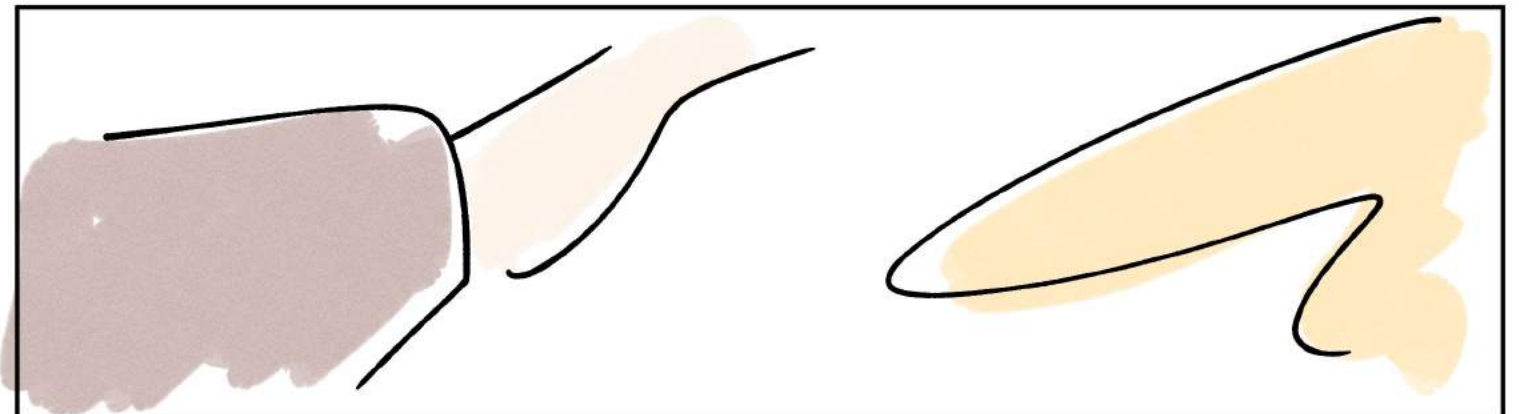

Can
Dark

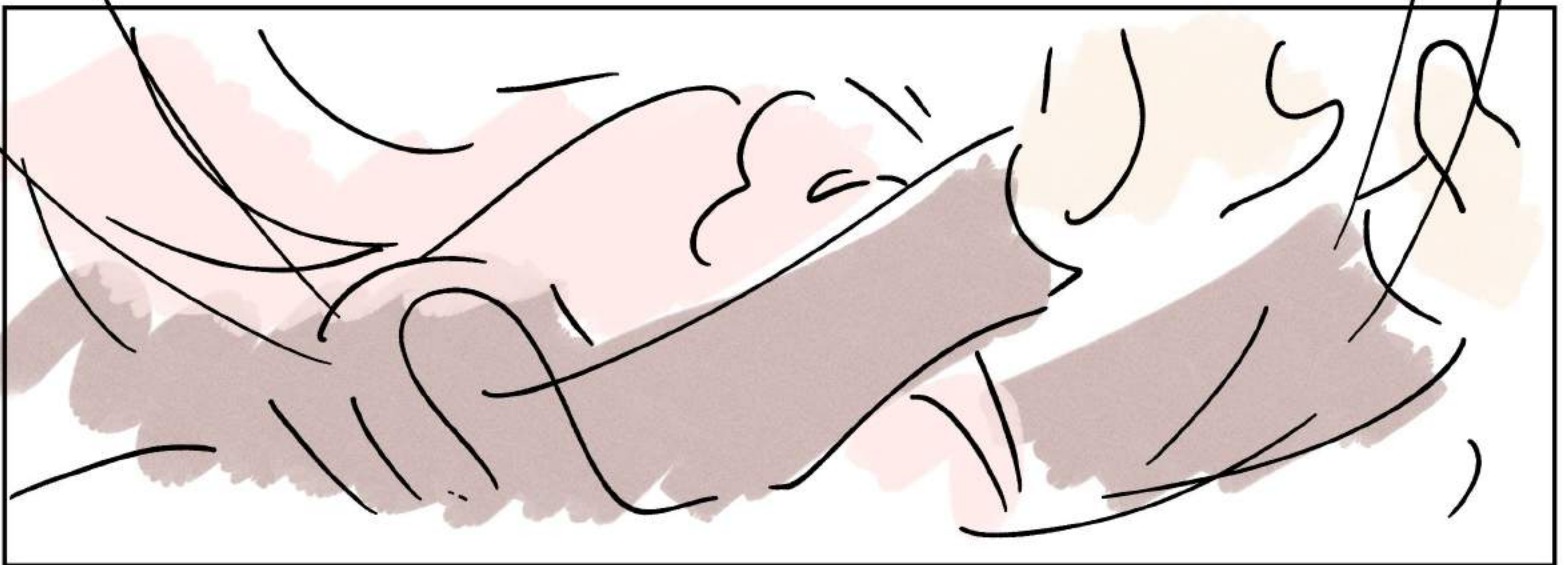

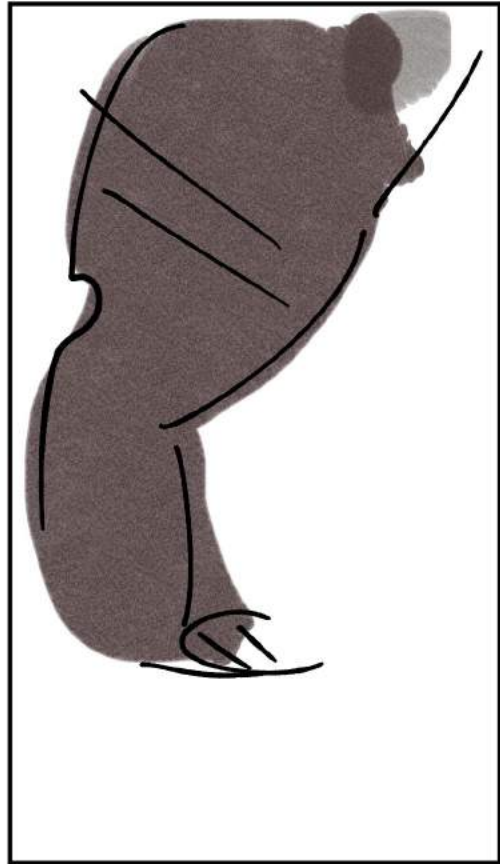

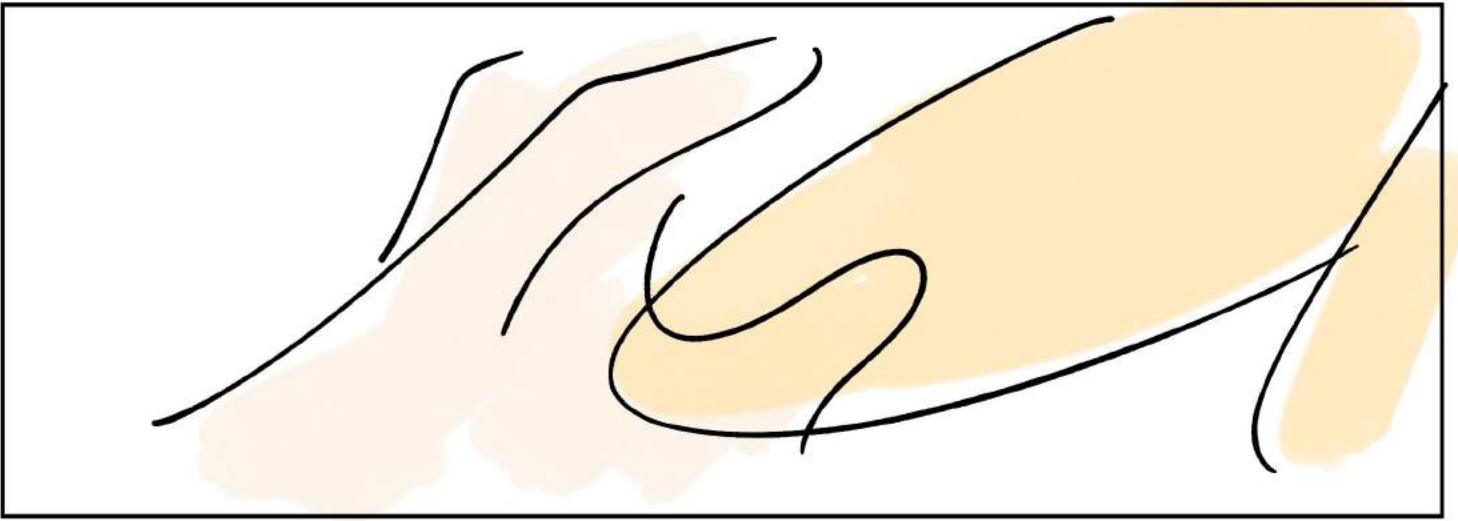

A
person
like
a
passing
wind

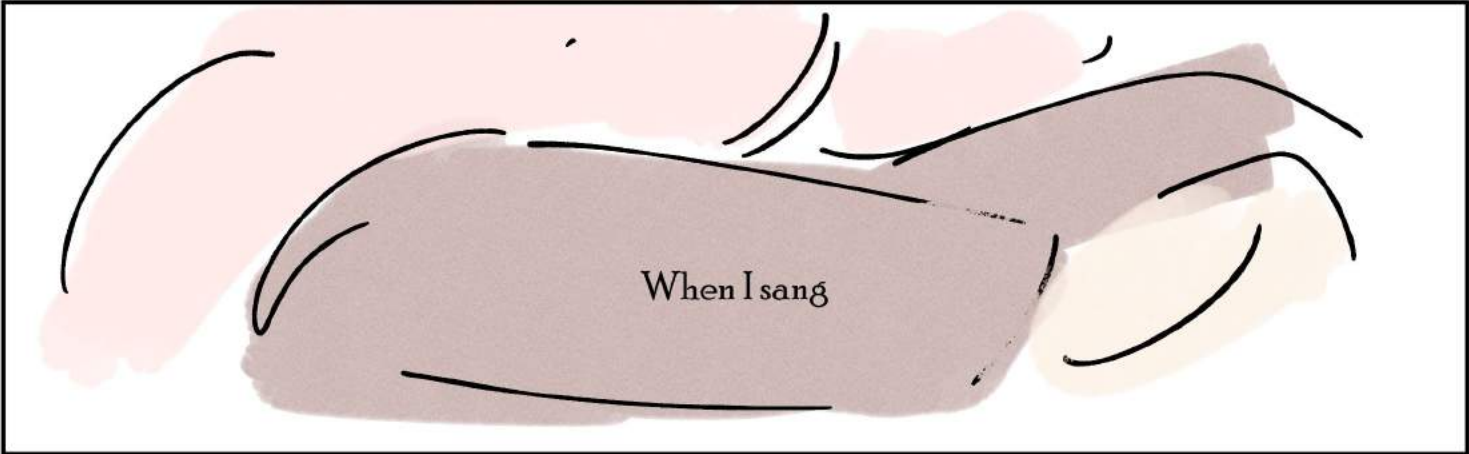

Your
red
breath
was
flowing
from
your
lips

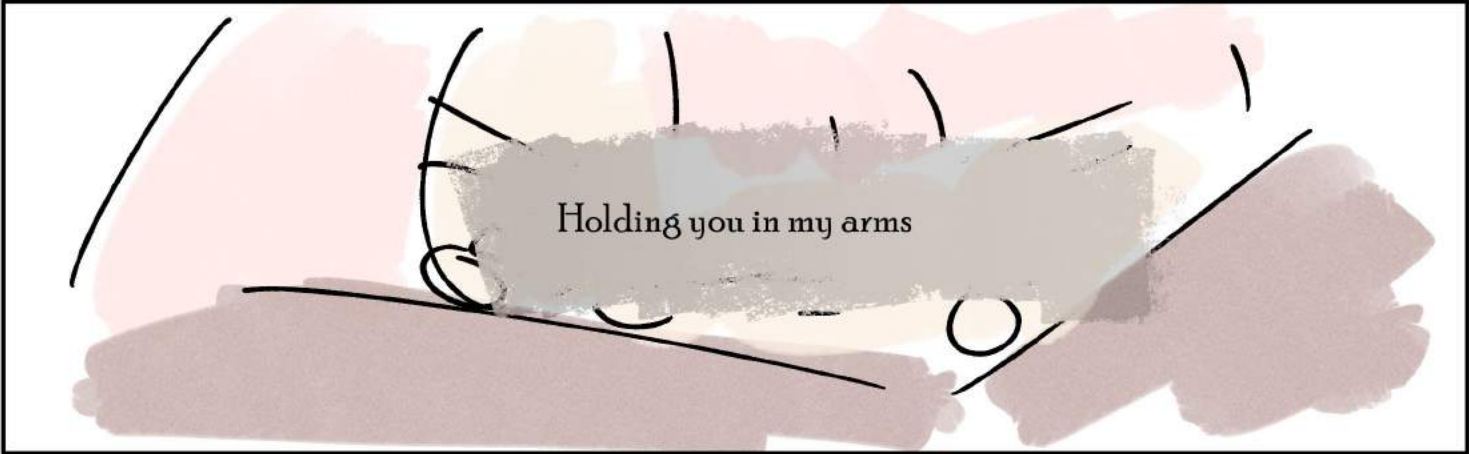

My
tears
that
were
flowing
down
my
cheeks

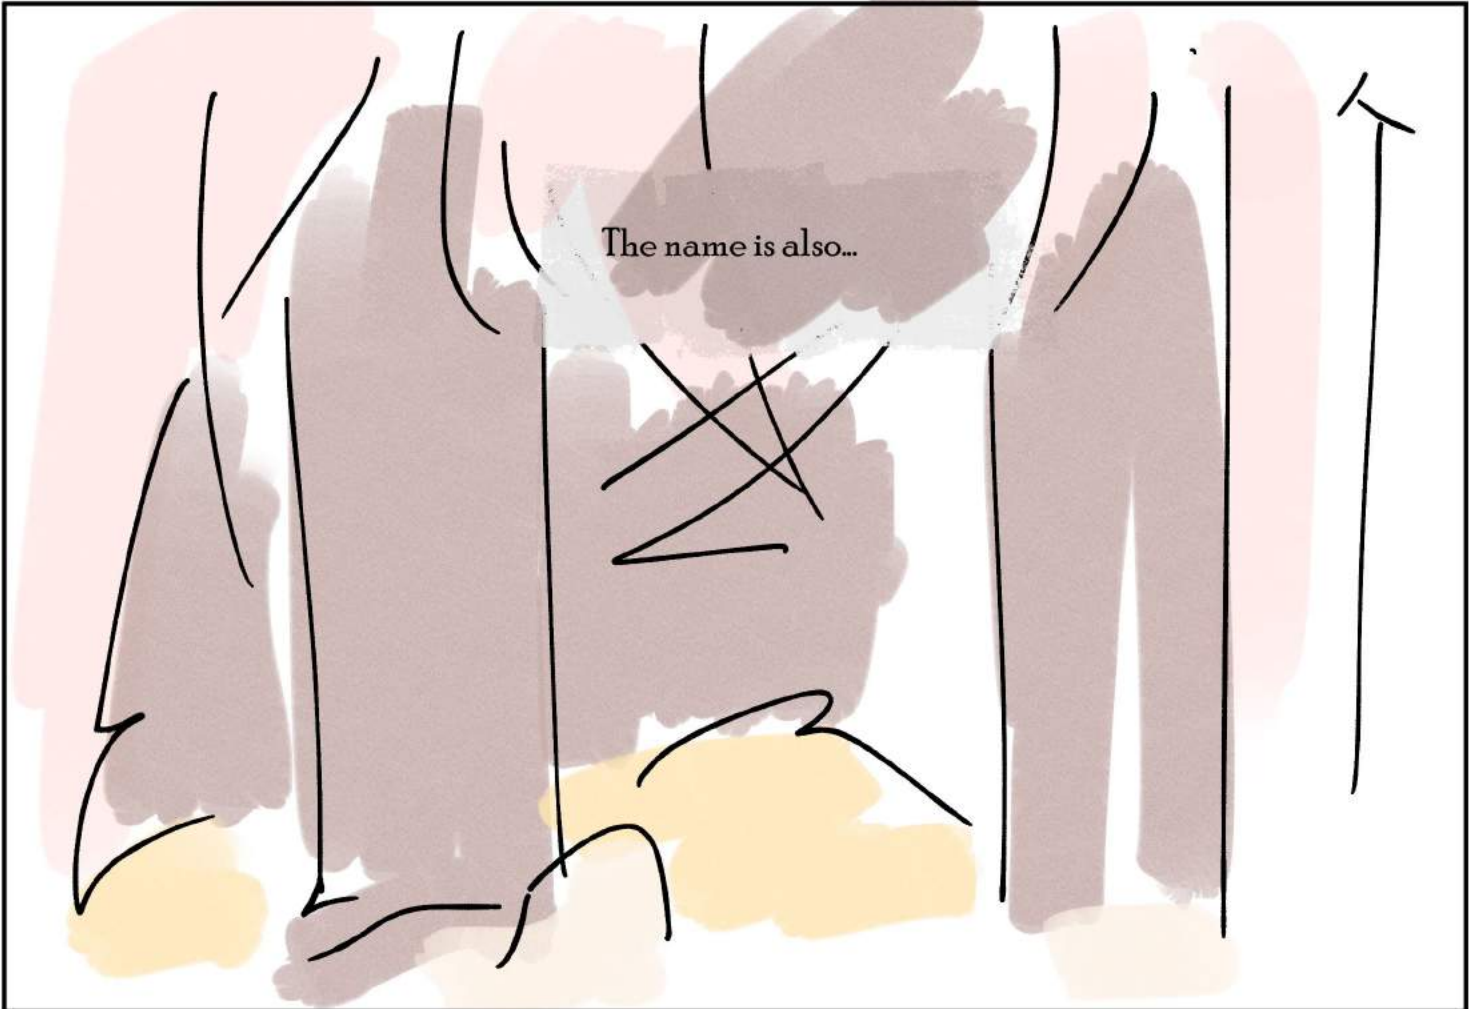

When I sang

Holding you in my arms

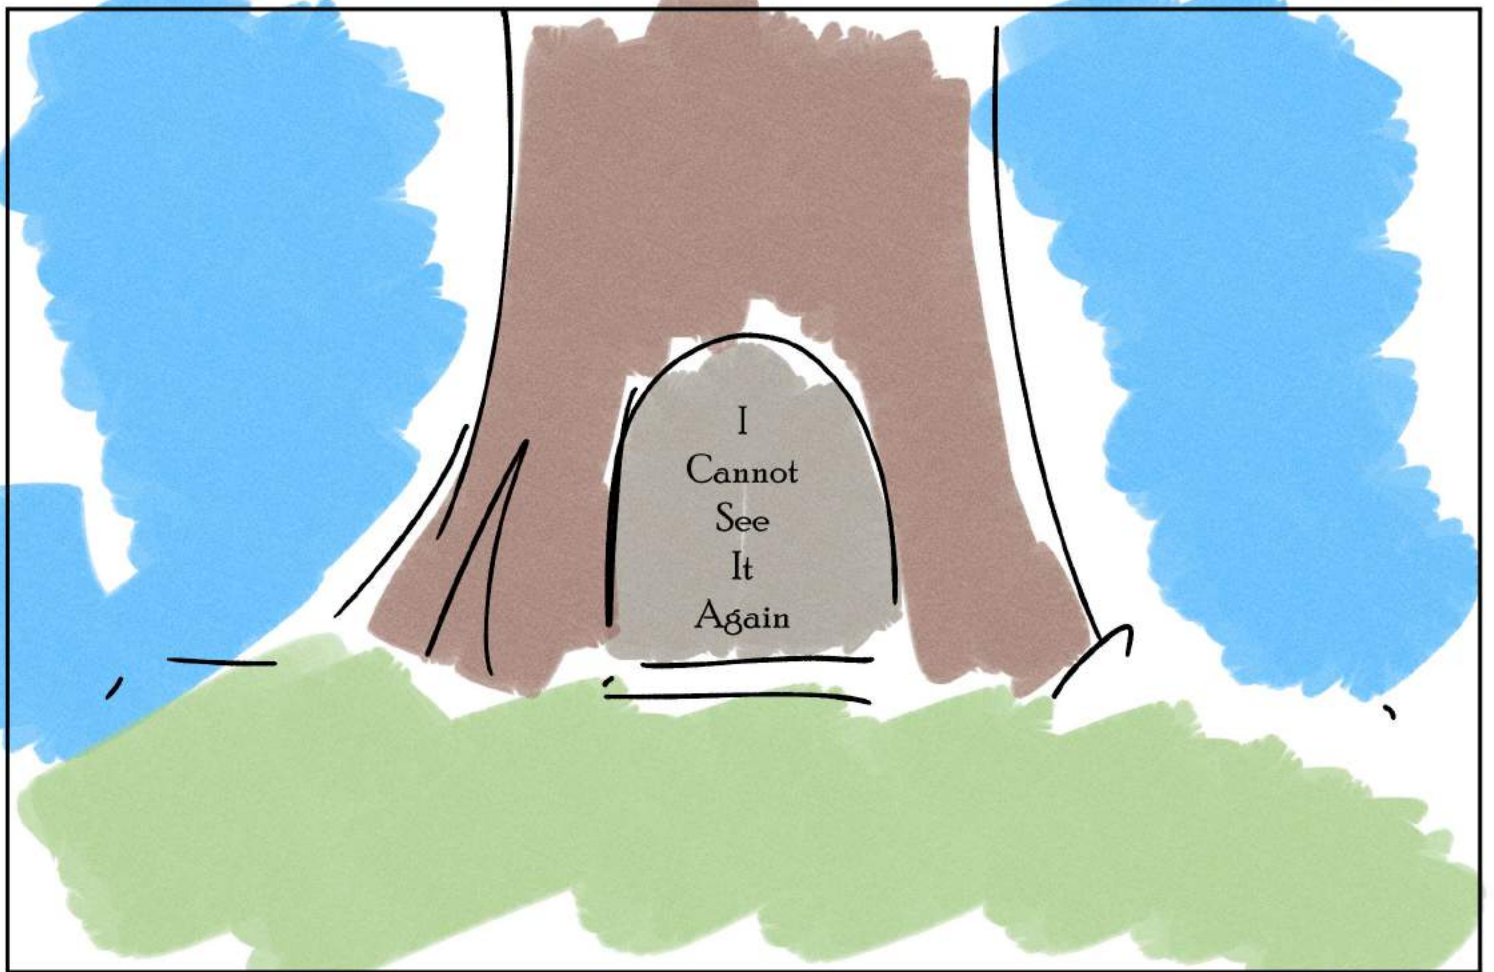

The name is also...

My
Missing
Person

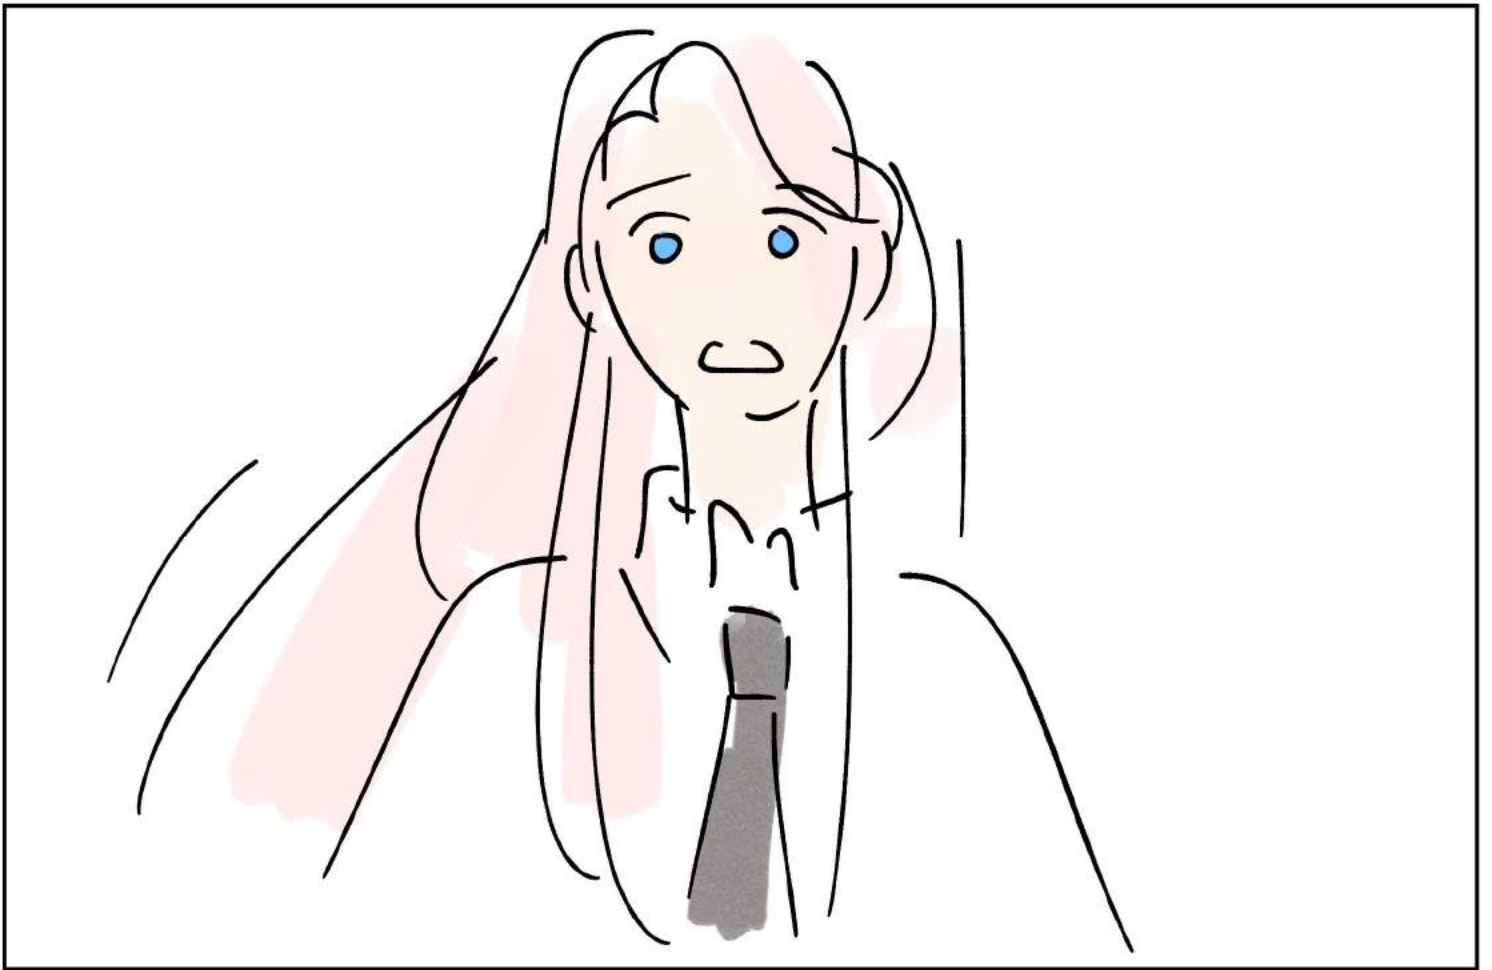

My
Missing
Person

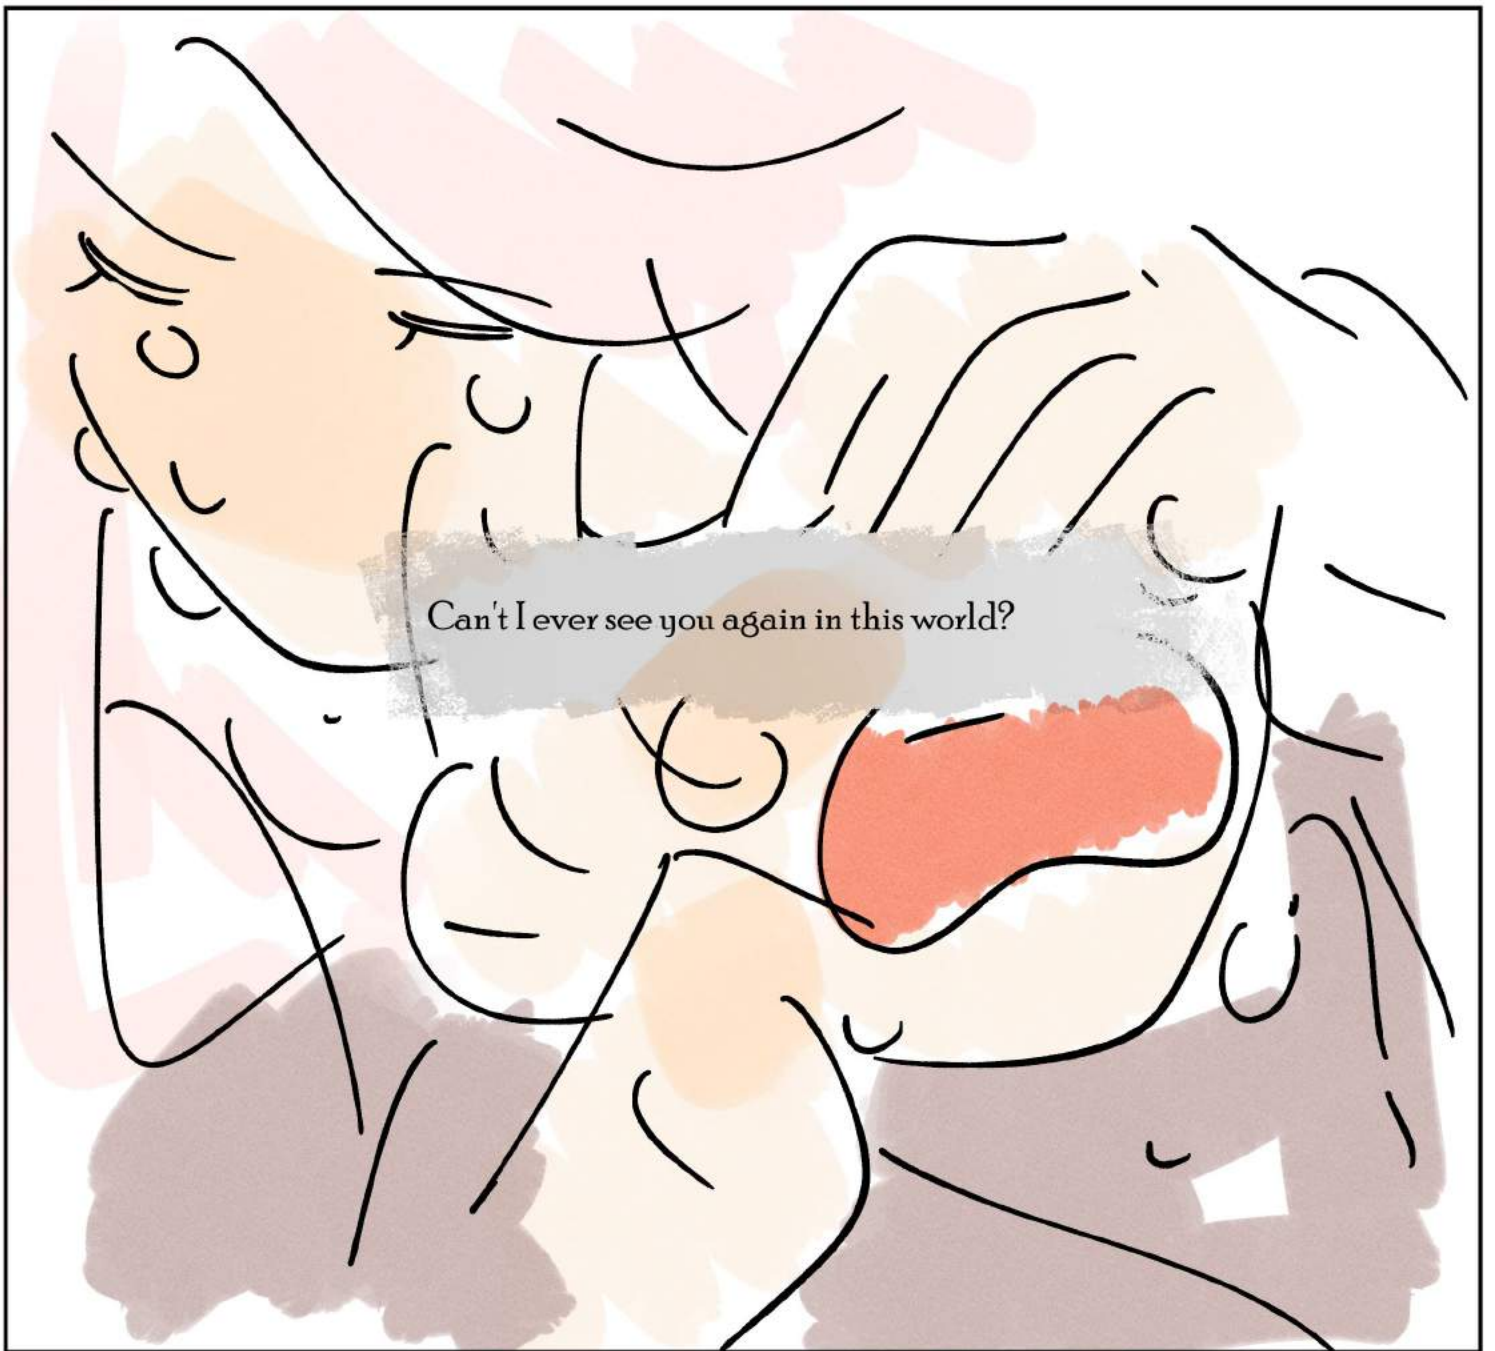

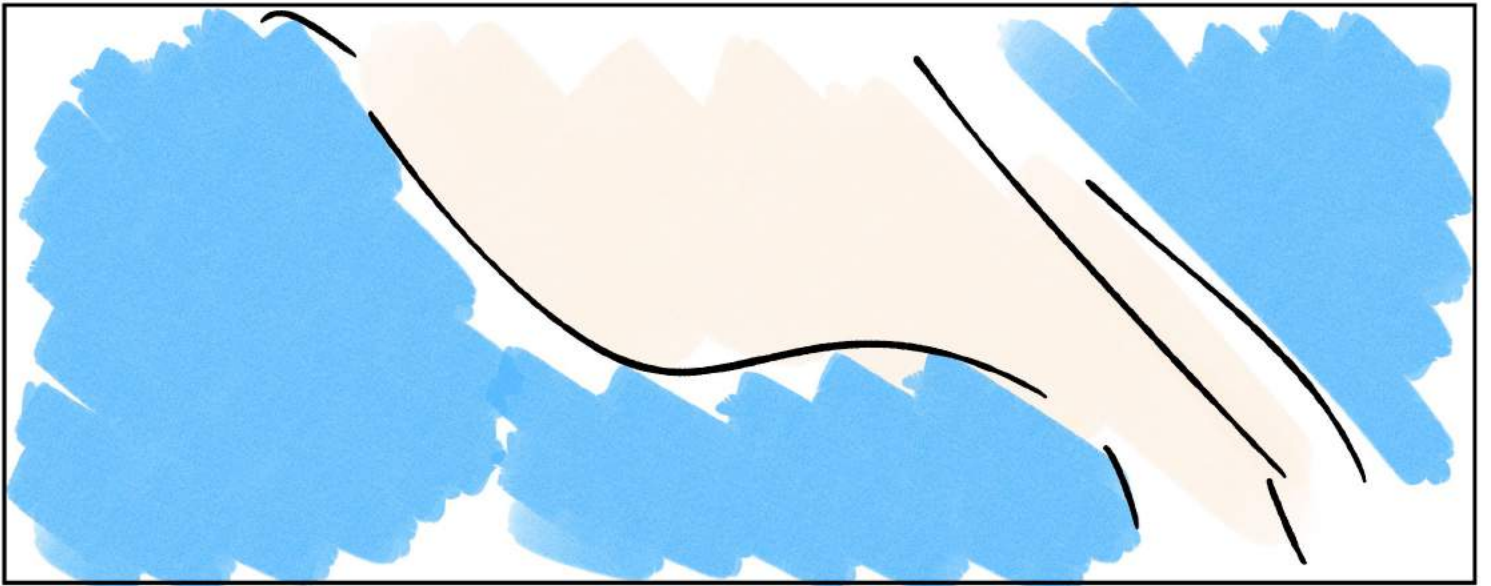

My
caught
but
can't
caught

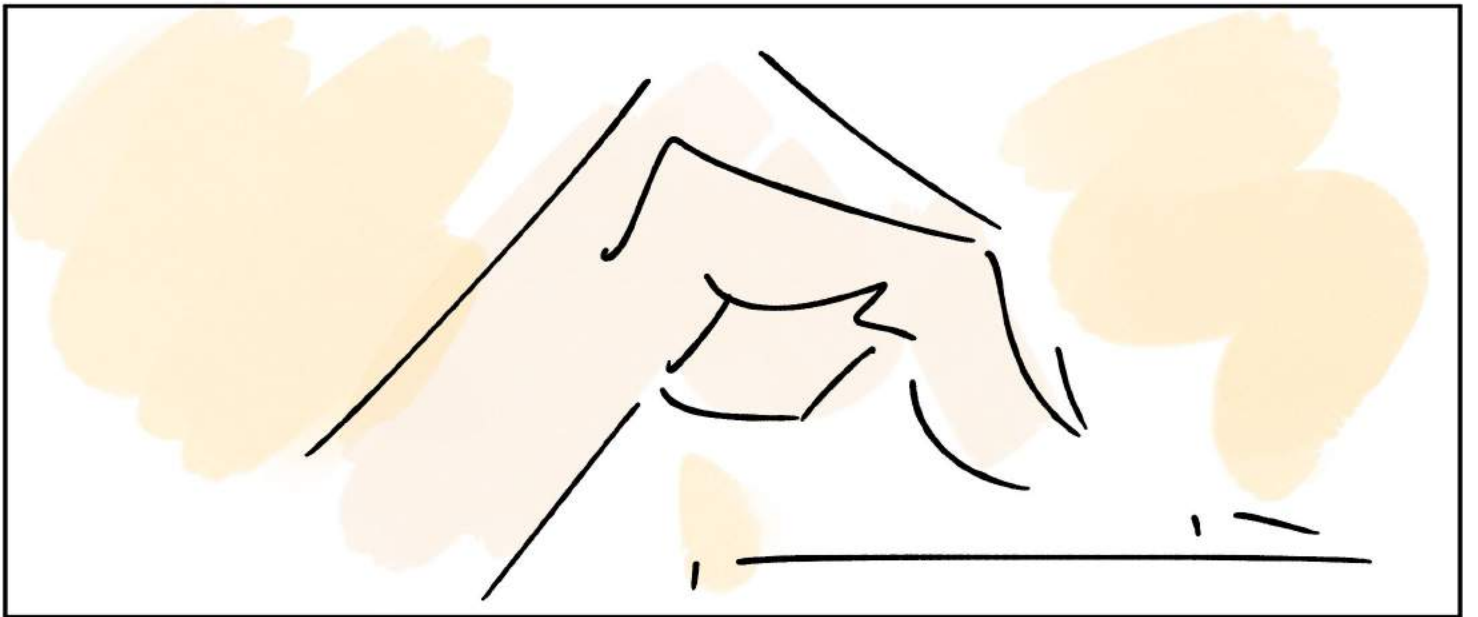

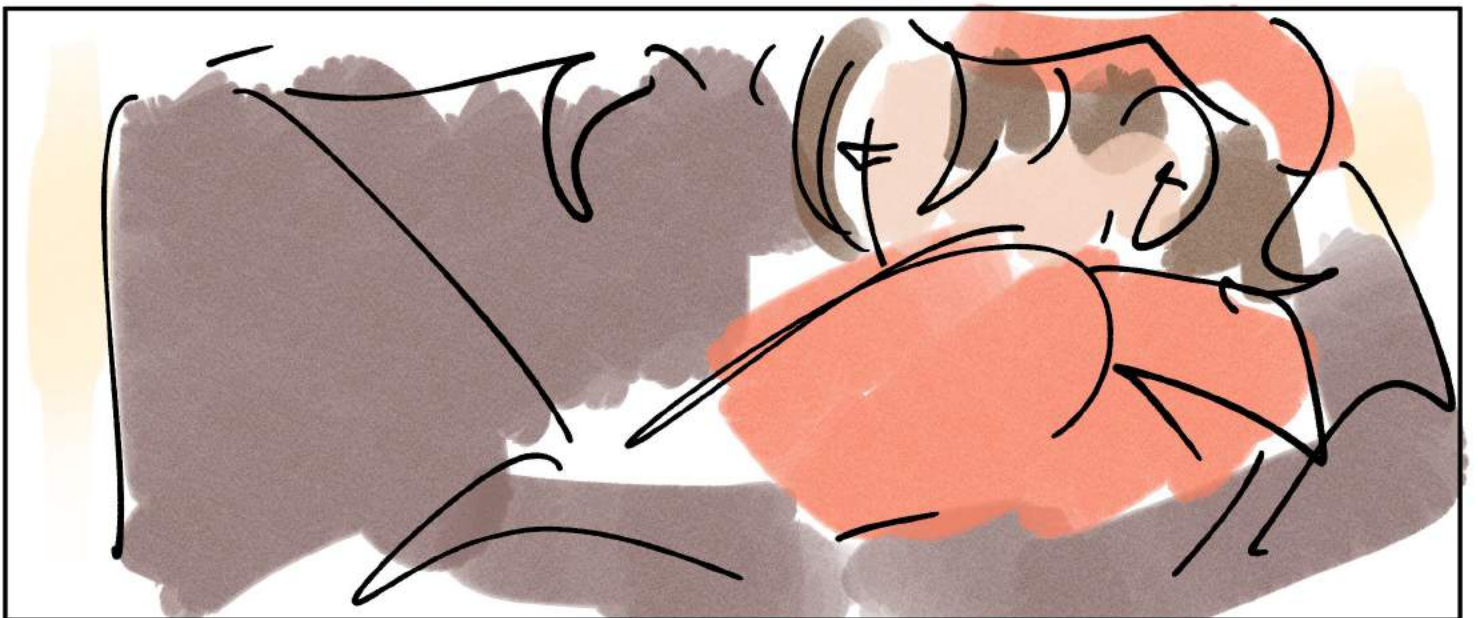

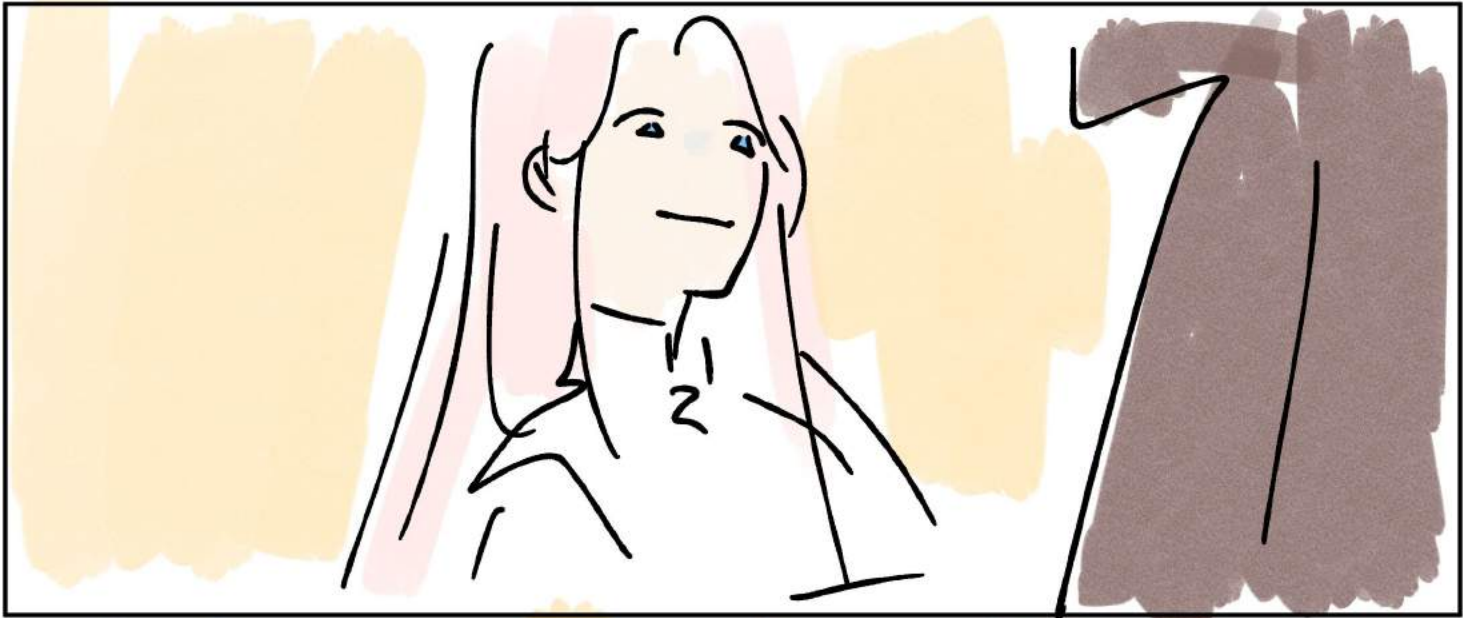

My
missing
person

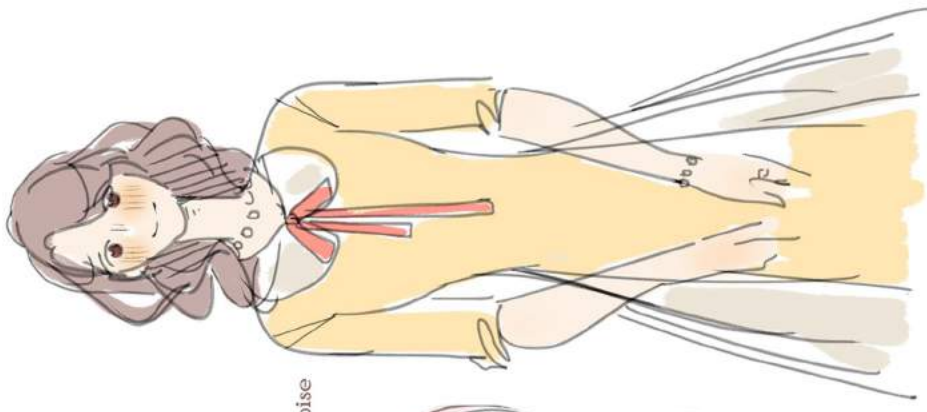

Can't I ever see you again in this world?
